Dear Archbishop Carlo Maria Vigano:

I am writing this letter on behalf of a growing number of parents and parishioners from Blessed John Paul II Church in Lakeview, New York Diocese of Buffalo.

The Pastor Father Peter J. Karalus continues to seek out young boys and teenagers from the parish. We have spoken to him about his relationship with the boys and he continues to ignore our concerns. Father's disposition is very feminine and weak. His feminine nature only causes more worries and concerns for the parents that he is gay and trying entice younger boys and teenagers into relationships with him.

We have written to the Bishop in the past, but Father has friends in the Chancery and we are certain that all of our letters are being kept from the Old Bishop and most likely our New Bishop as well. Father Karalus is very close friends with Msgr. David Lipuma secretary to the Bishop.

Archbishop we as parents are praying and hoping your office will begin an investigation into Father Karalus and stop him from trying to force himself on to younger boys and teenagers.

Thank You,
Parents & Parishioners
Blessed John Paul II
