### THE MESSAGE

*Offer reparation and sacrifices* (through doing your daily duty) to the Immaculate Heart of Mary and the Sacred Heart of Jesus to convert and save sinners from Hell, for the needs of the Holy Father and for peace in the world.

*Pray five decades of the Rosary daily* while meditating on the mysteries for world peace.

*Wear the Brown Scapular of Our Lady of Mt. Carmel* as a sign of our consecration to the Immaculate Heart of Mary.

*Make the First Five Saturdays of reparation* to the Immaculate Heart of Mary for outrages against Her and Her Son.

*Carry out eucharistic reparation* to console the Sacred Heart of Jesus: Masses, adoration, vigils.

**Happy 88th Birthday, Russ!**  
**October 24**

*May God bless you for all you've done and  
continue to do in bringing the message of God's  
love to all those around you.*

*We thank you, and we love you!*

## WHAT OUR SUPPORTERS SAY...

(In response to *The Download* episode aired September 18, 2017. This kind of communication from you, our supporters, gives us hope and confirms we are doing what needs to be done, and saying what needs to be said.)

This was a hard Download to watch. I am no longer an "Angry Atheist" because I watched Michael's video "Angry Atheists" ~six years ago. I laughed, got mad at him, made fun of all the stuff he talked about, and then heard slowly, like really slowly over great lengths of time, the truth of what he was boldly saying cut through. Censorship or comparing CM to trolls is ridiculous!

I've been meeting (in person) the church that inspired Keith Green's song "Asleep in the Light" and it's depressing. I finally found a parish that really cares, 45 miles away, and trust that I will soon be baptized and receive our Lord in the Eucharist. Also my wife is rejoining the Church, and our one-year-old daughter can be baptized and raised in the Faith. I also trust that soonish we will have our marriage set up all sacramental (still learning about that).

Talk about scoring a touchdown sports thing, CM! Keep up the good work!

Church Militant is NOT asleep in the light, and I pray that they will be able to continue shining God's light for as many people as possible, informing them on the Catholic faith they may not know, or just don't want to know.

Premium member, Amazon linked up to support, even got some CM gear, with more on the way. The *Dogma Lives Loudly Within Me!* I want to tell my friends about it, and how it isn't just a bunch of stuff to sneer and hiss at! It is actually the best, most awesome stuff in existence, since it comes from God!
