

FBI - Homosexuality
vort-2013-02-15

Hello everyone and welcome to The Vortex where lies and falsehoods are trapped and exposed. I'm Michael Voris.

This Vortex isn't going to be long .. its really just a promotion to point you to the latest topic our research team has been working on.

We've changed the name of our previous program CIA .. Catholic Investigative Agency .. to FBI .. Faith Based Investigations .. and the premiere episode of FBI deal with homosexuality .. but not just from a spiritual or theological perspective .. but an expansive look at the whole gay rights movement ..

How did it get started .. when and how did society start accepting that male sexual acts with other men are perfectly normal AND if you oppose them in principle .. that there's something wrong with YOU.

It has been the greatest and shortest moral about face in the history of the world .. and it's the topic of the premiere episode of Church Militant. TVs – FBI – Faith Based Investigation.

Just click on the attached link and share the program with as many people as you can,

GOD Love you,

I'm Michael Voris
